

DESAIN FORMULIR REKAM MEDIS BENCANA SESUAI SNARS EDISI 1 DI RUMAH SAKIT UMUM MITRA PARAMEDIKA

Noviana Ika Suhardiat¹, Suryo Nugroho Markus²

INTISARI

Latar Belakang: Di kehidupan kita terancam dengan adanya bencana, dengan adanya bencana akan banyak memakan korban jiwa dimana korban akan dilarikan ke rumah sakit dan rumah sakit harus menyediakan rekam medis bencana.

Tujuan : Merancang desain formulir rekam medis pasien bencana di Rumah Sakit Mitra Paramedika.

Metode : Jenis penelitian yang dilakukan pada penelitian ini adalah penelitian deskriptif dengan rancangan penelitian studi kasus. Subjek perancangan dalam penelitian ini adalah Kepala Bagian Rekam Medis, Kepala Gawat Darurat, Ketua Akreditasi dan Ketua Bencana.

Hasil: Rumah Sakit Umum Mitra Paramedika belum terdapat regulasi bencana. Rancangan desain formulir rekam medis bencana menyesuaikan dengan item-item yang ada dalam Permenkes No 269/MENKES/PER/III/2008. Hasil perancangan formulir yang dipilih dan yang sesuai dengan kebutuhan yaitu perancangan formulir alternatif II.

Kesimpulan : Belum terdapat regulasi bencana dan desain formulir rekam medis bencana telah menyesuaikan kebutuhan sesuai dengan Permenkes No 269/MENKES/PER/III/2008.

Kata Kunci: Desain Formulir, Rekam Medis, Bencana

DESAIN OF DISASTER MEDICAL RECORD FORMS ACCORDING TO SNARS 1ST EDITION AT MITRA PARAMEDIKA HOSPITAL

Noviana Ika Suhardiati¹, Suryo Nugroho Markus²

ABSTRACT

Background: In our lives, it is threatened by a disaster, with a disaster that will cost many lives where the victims will be rushed to hospitals and hospitals must provide disaster medical records.

Purpose: Designing Design a disaster patient medical record form design at Mitra Paramedika Hospital.

Method research: The type of research conducted in this study was descriptive research with a case study design. The design subjects in this study were the Head of the Medical Record Section, Emergency Head, Head of Accreditation and Disaster Chair.

Result: Mitra Paramedika General Hospital has no disaster regulation yet. The design of the disaster medical record form design adapts to the items contained in Permenkes No. 269 / MENKES / PER / III / 2008. The results of the form design are selected and are in accordance with the requirements, namely the design of alternative forms II.

Conclusions : There is no disaster regulation and the design of the disaster medical record form has adjusted the needs in accordance with Minister of Health Regulation No. 269 / MENKES / PER / III / 2008.

Keywords: Form Design, Medical records, Disaster.
